

The citizens of Cleantown are up in arms!  
Someone put soap in the fountain in the town square last night and now there are bubbles everywhere! Can you help the town germ fighters unscramble the words below to reveal the words of wisdom left behind by the bubble bandit?

Wash your hands for at least **twenty** seconds.

Hand **sanitizer** can be used when soap and water are not available.

A **bubble** bath is a fun way to get clean!

Cover your **mouth** when you cough to stop germs from spreading.

If you are sick, **waving** to friends is the safe way to say hello!

**Orange** juice contains lots of Vitamin C, which is good to help from getting sick!

Make **washing** your hands a regular part of your day!

When you are not feeling well, use a **thermometer** to measure your temperature.

Cover cuts and scrapes with a band-aid to keep **germs** out!

**Brushing** your teeth every day, twice a day is important for good health.
