Famous People are here...

The new Famous Barr store is open. And you'll find a great selection of your favorite "toys" umbrellas. Wonderful "toys" - push the buttons and they open automatically into an umbrella big enough for two. After the rain, they fold into a size that's easy to carry. Put in the car, have handy for the next shower. Four styles in beautiful solid colors and original designer prints. The collection is priced from \$14 to \$22. Famous Barr Fashion Accessories.

And Toni handbags are here too! You'll love their look, their versatility. Among the smartest - the lock or leather bag of waxskin (synthetic damp cloth). With zip-top and attached coin purse in its own pocket on the outside of the bag. In black, dark or medium brown, navy blue, wine and rust. \$28 handbags.
